

ARNOLD ABRAMOWITZ

___ N.J. ___ (1996)
of Irvington (Essex County)

Admonition

Decided: April 3, 1996

Admitted: 1976

APPEARANCES BEFORE REVIEW BOARD

Mark T. Karinja argued the cause on behalf of the District VB (Suburban Essex) Ethics Committee.

Arnold Abramowitz, respondent, argued the cause pro se.

The Disciplinary Review Board held that an admonition was the appropriate discipline for an attorney who failed to keep his client reasonably informed about the progress of his personal injury matter despite numerous requests for information made both by letter and by telephone.
