

CRAIG A. ALTMAN

N.J. (1999)

of Vineland (Cumberland County)

Admonition

Decided: June 17, 1999

Admitted: 1987

APPEARANCES BEFORE REVIEW BOARD

William E. Nugent argued the cause on behalf of the District I (Atlantic, Cumberland, Cape May and Salem Counties) Ethics Committee.

Scott M. Goldberg argued the cause for respondent.

The Disciplinary Review Board held that an admonition was the appropriate discipline for an attorney who signed a "letter of protection" for a medical provider and then failed to insure that the provider was paid from the personal injury settlement received, in violation of *RPC 1.15(b)*.
